## Student Demographic Information

### Demographic Information: Year

### Demographic Information: Gender

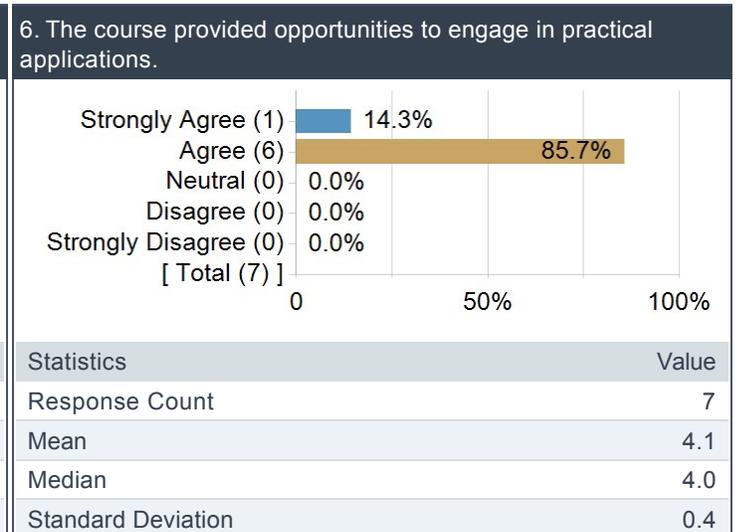

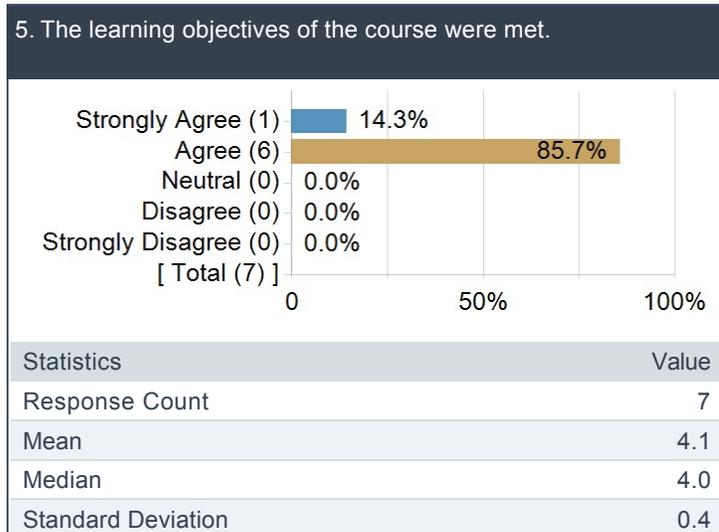

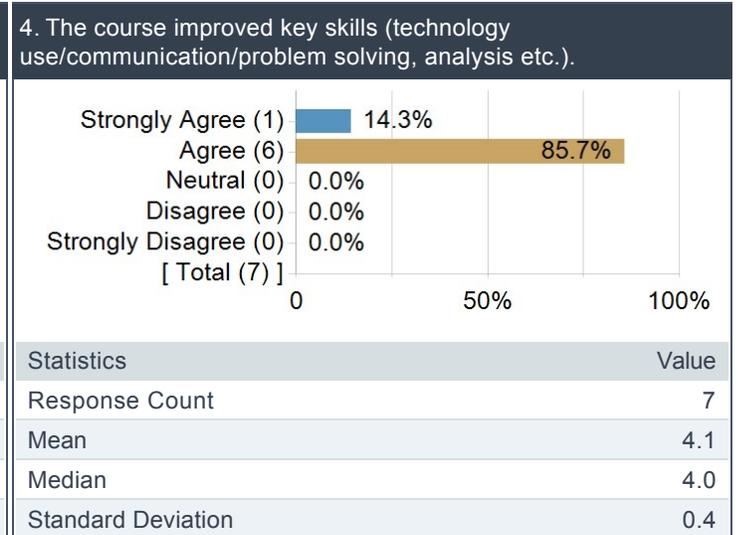

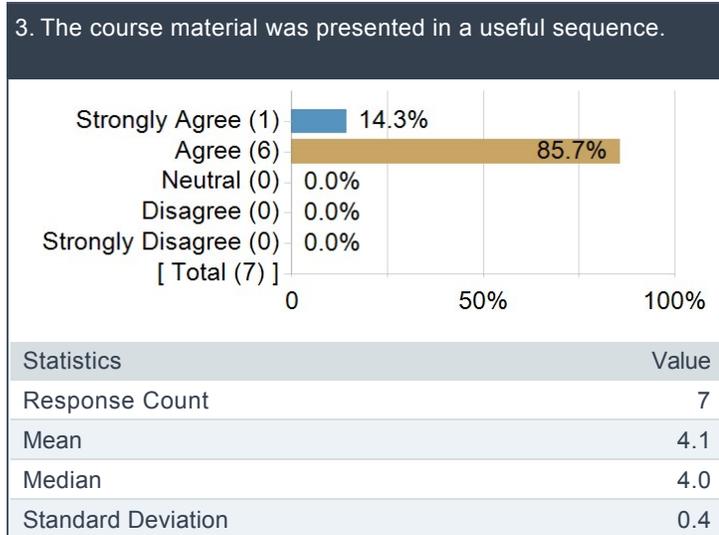

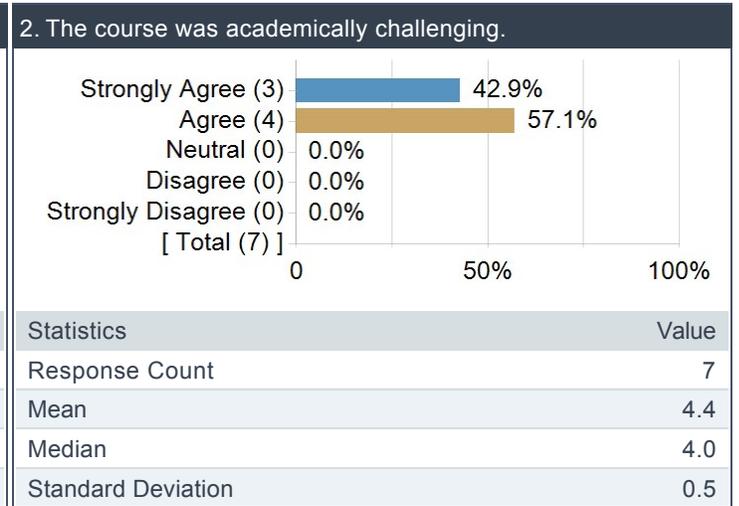

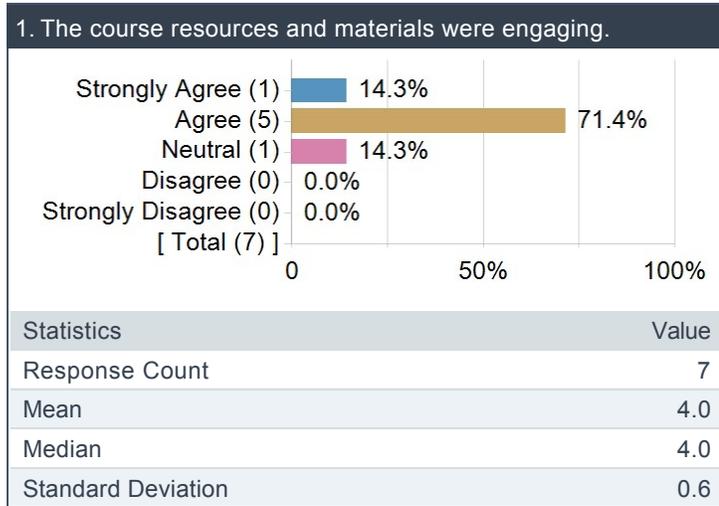

| Person_Gender | Count | Percentage |
|---------------|-------|------------|
| F             | 3     | 42.9%      |
| M             | 4     | 57.1%      |

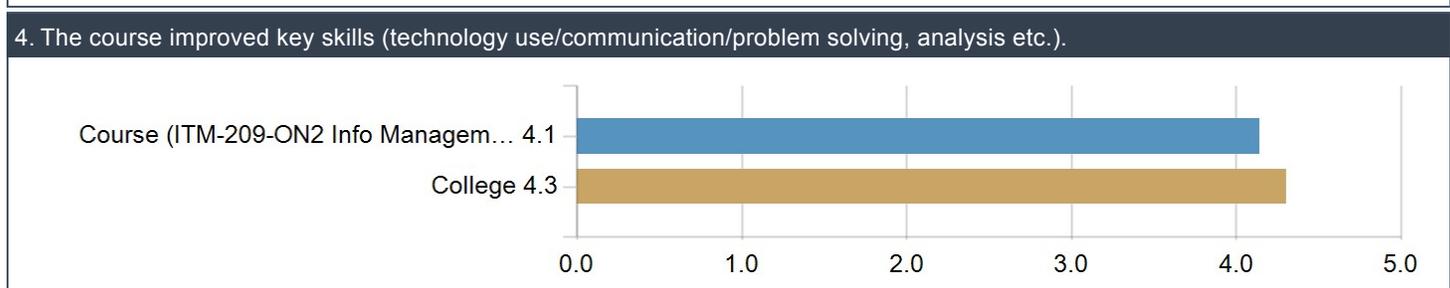

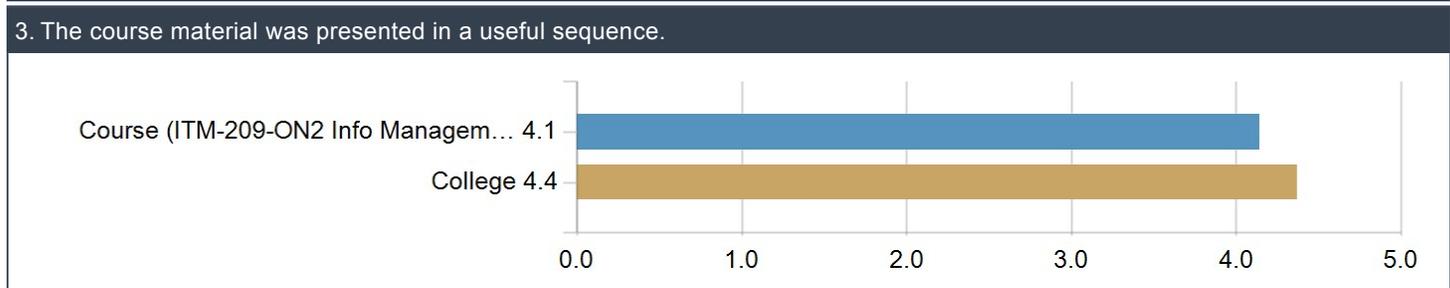

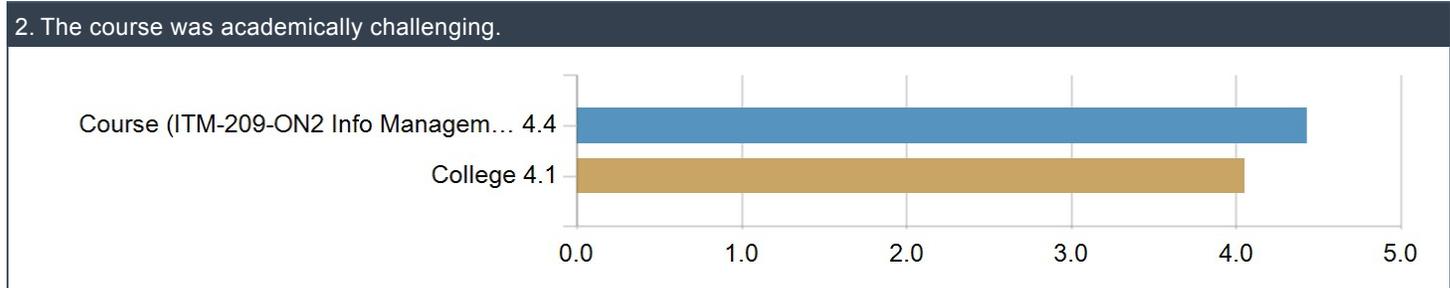

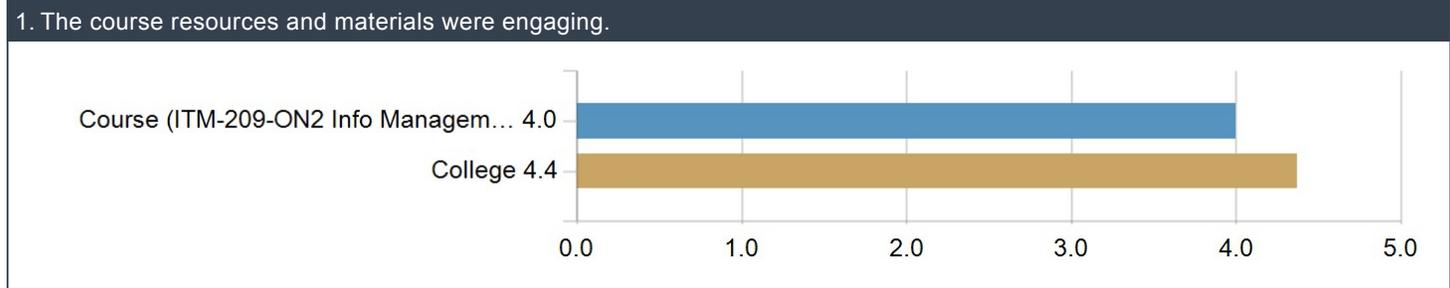

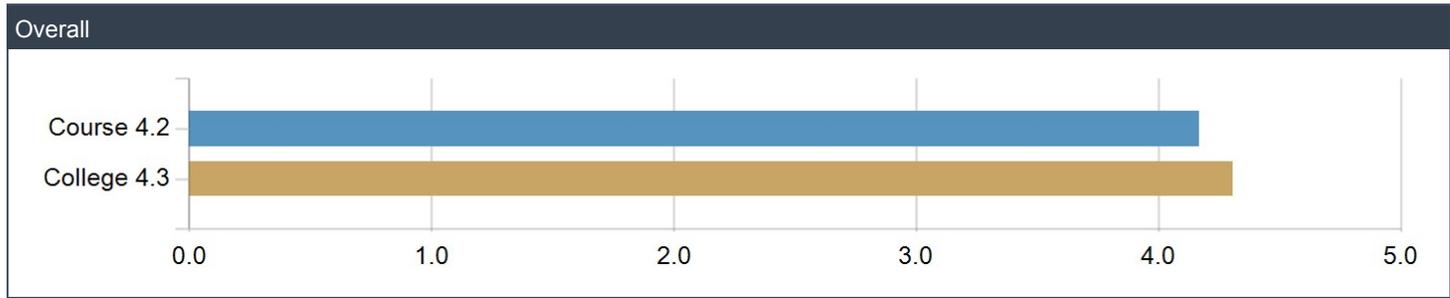

## Course-Related Questions

Using the provided rating scale, students marked the one response for each statement that was closest to their overall experience in this course.

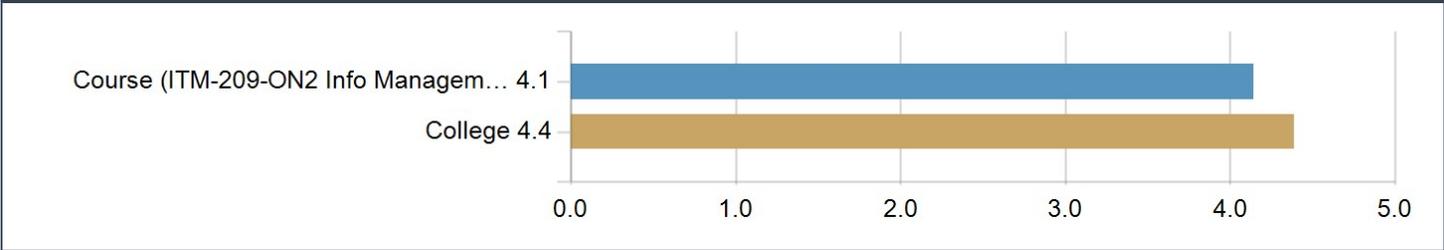

| Overall Statistics for Course |  | Value |
|-------------------------------|--|-------|
| Mean                          |  | 4.2   |
| Median                        |  | 4.0   |
| Mode                          |  | 4     |
| Standard Deviation            |  | 0.4   |

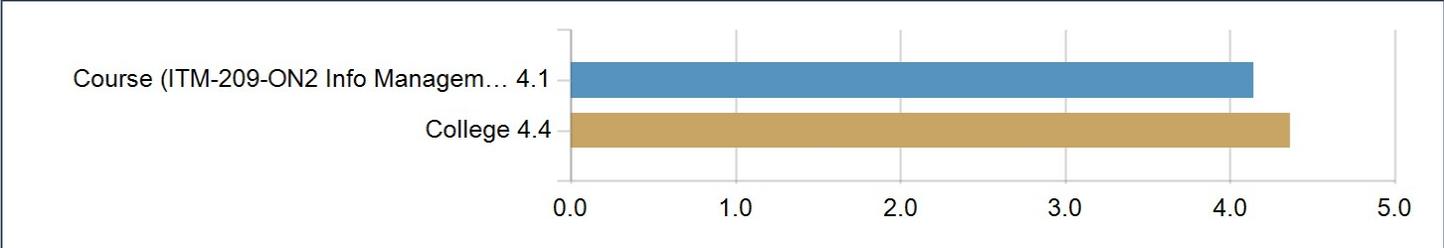

This questionnaire allows you to comment anonymously about this course and the way it was taught. Using the rating scale below, mark the one response for each statement that is closest to your overall experience in this course

5. The learning objectives of the course were met.

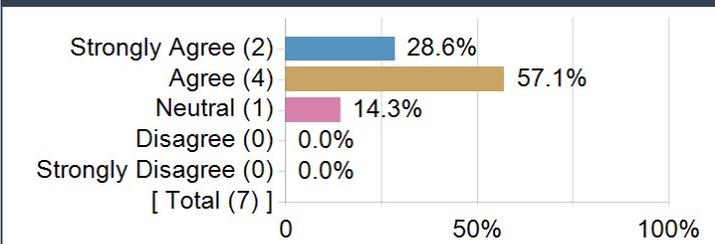

6. The course provided opportunities to engage in practical applications.

Using the provided rating scale and/or providing comments, students responded to the following statement: This specific course was available at the time and delivery method I prefer.

This specific course was available at the time and delivery method I prefer.

| Statistics         | Value |
|--------------------|-------|
| Response Count     | 7     |
| Mean               | 4.1   |
| Median             | 4.0   |
| Standard Deviation | 0.7   |

Comment  
[No Response]

What were the three most important items you learned in the class?

Comments  
 Google Analytics  
 Internet safety/security  
 Internet tracking methods  
 What are information systems, how they are used and how data is mined through the web.  
 The three most important items I have learned in this class was google analysts, what data information software, and defining digital markets.

**Please discuss how this course built on previous courses at Nichols and how it prepared you for future courses or professional development.**

Comments

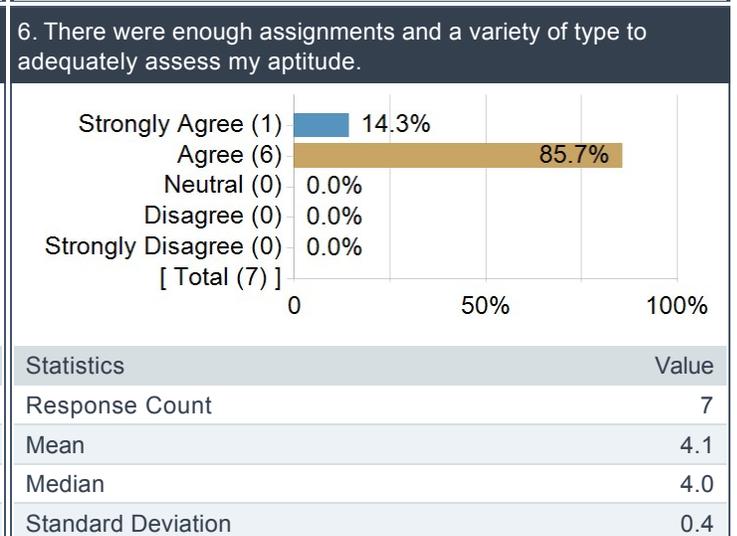

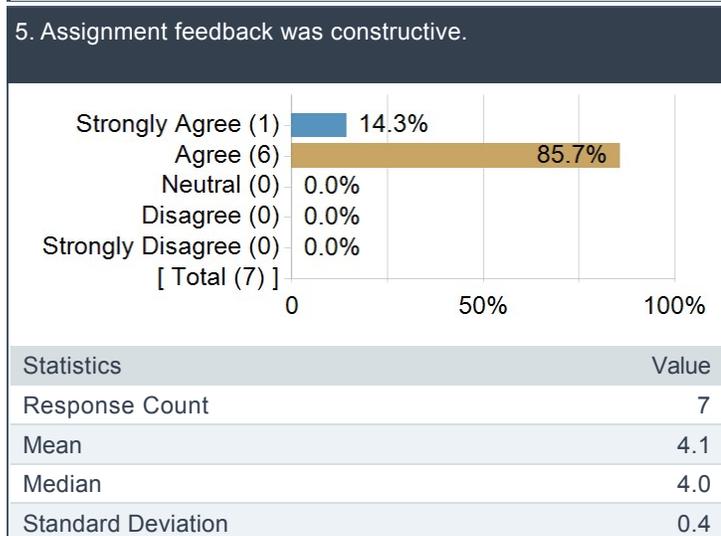

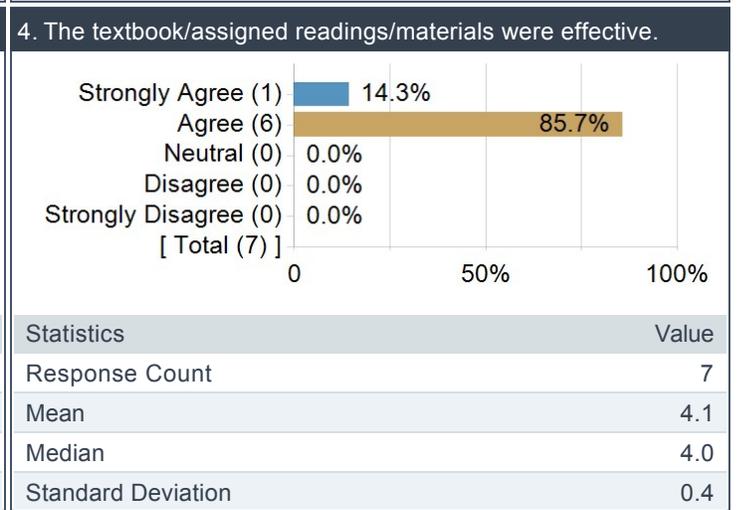

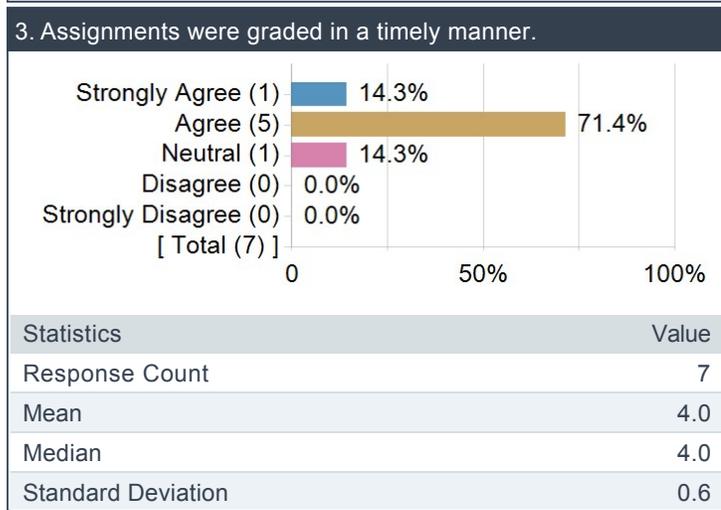

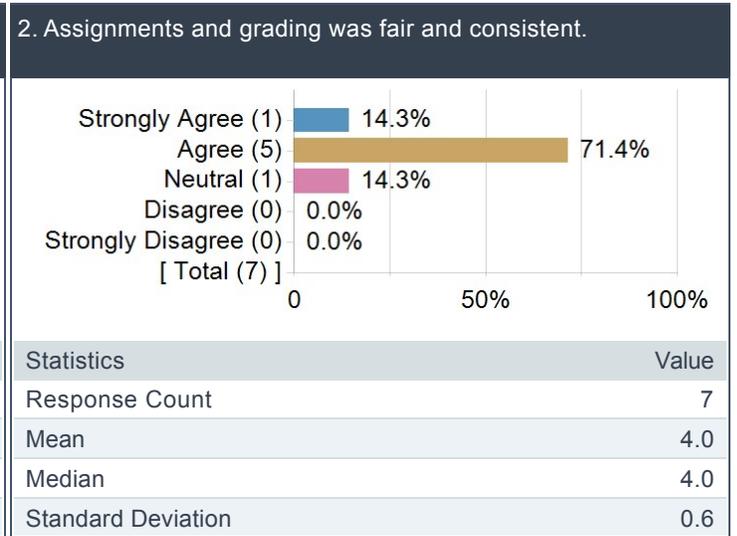

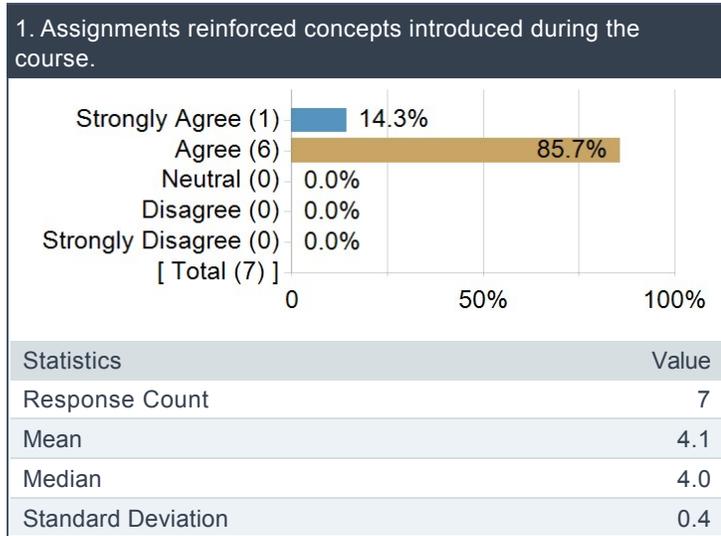

This course has built a solid understanding on how my computer literacy skills improved by understanding how the data is stored and is used through out a business.

---

## Assignment-Related Questions

Using the provided rating scale, students marked the one response for each statement that was closest to their experience with assignments for this course.

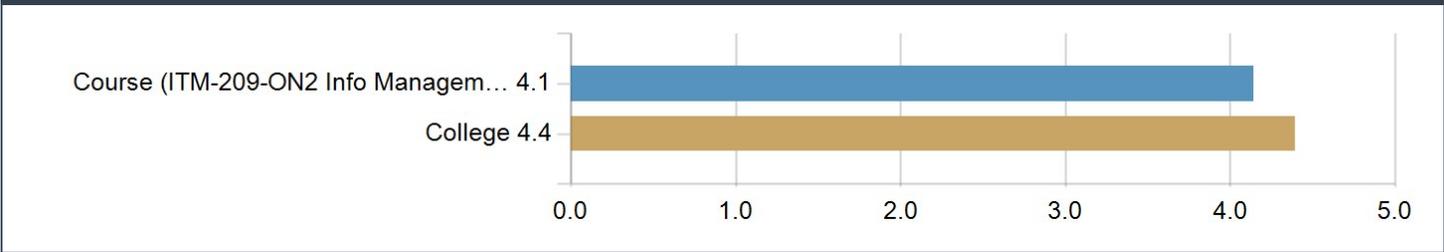

| Overall Statistics for Assignments |  | Value |
|------------------------------------|--|-------|
| Mean                               |  | 4.1   |
| Median                             |  | 4.0   |
| Mode                               |  | 4     |
| Standard Deviation                 |  | 0.4   |

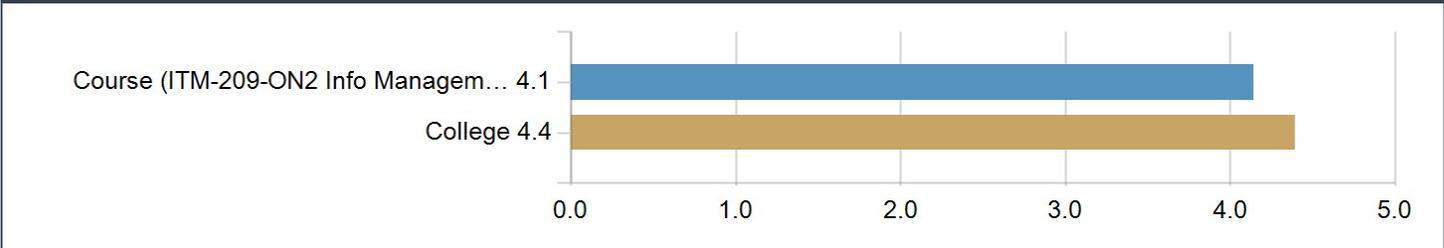

Using the rating scale below, mark the one response for each statement that is closest to your experience with assignments for this course.

5. Assignment feedback was constructive.

6. There were enough assignments and a variety of type to adequately assess my aptitude.

Which assignment gave you the best opportunity to demonstrate how well you learned the skills and material taught in this course?

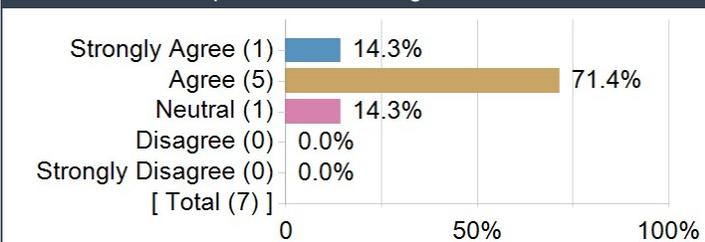

| Comments   |
|--|
| final exam project   |
| The Google Analytics course.   |
| The google analytics assignment gives me the best way to play with data and use the software that let me put the knowledge together. |

Instructor-Related Questions

Using the provided rating scale, students marked the one response for each statement that was closest to their experience with this instructor.

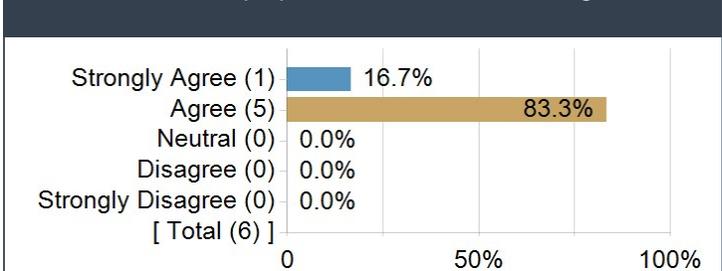

| Overall Statistics for Instructor | Value |
|-----------------------------------|-------|
| Mean                              | 4.1   |
| Median                            | 4.0   |
| Mode                              | 4     |
| Standard Deviation                | 0.5   |

1. The instructor effectively communicated important information, such as course requirements or assignment instructions.

| Statistics         | Value |
|--------------------|-------|
| Response Count     | 7     |
| Mean               | 4.0   |
| Median             | 4.0   |
| Standard Deviation | 0.6   |

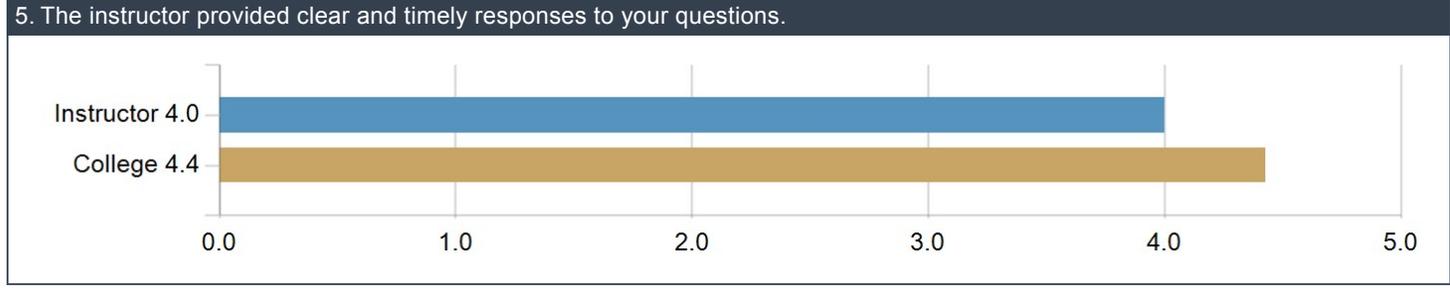

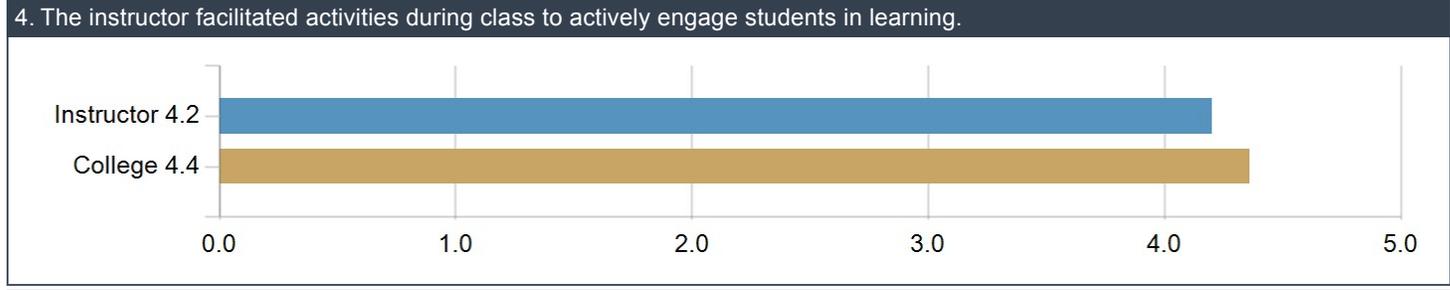

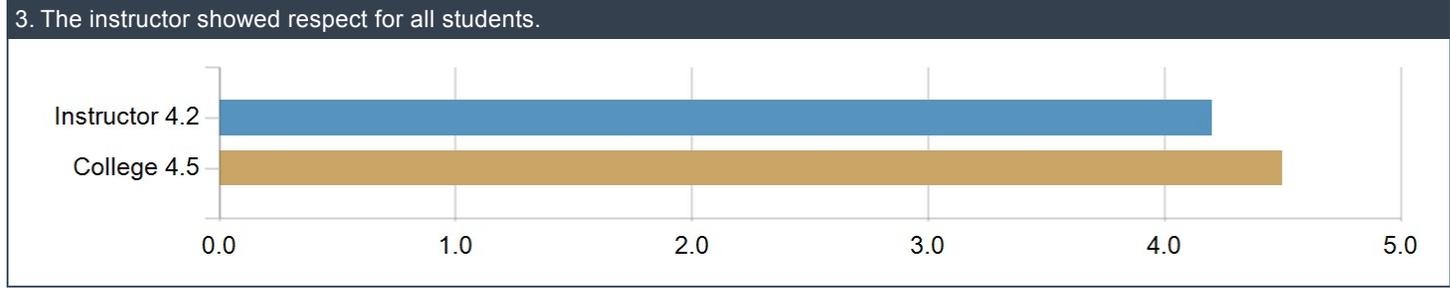

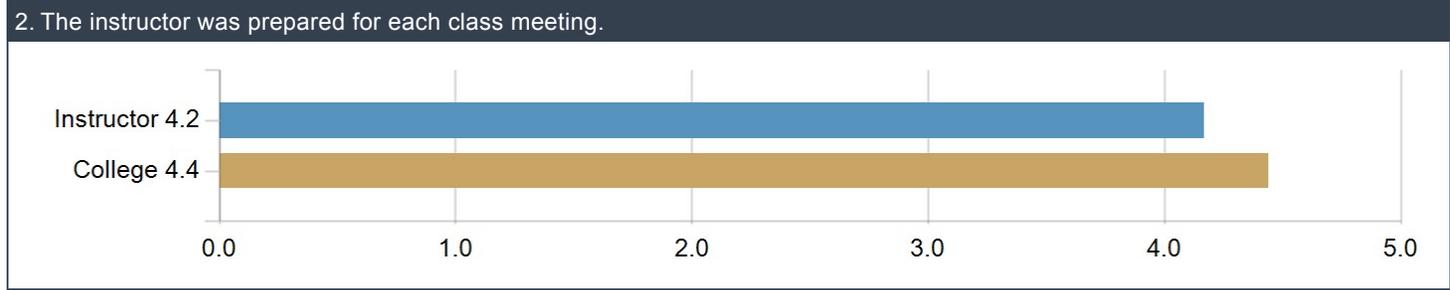

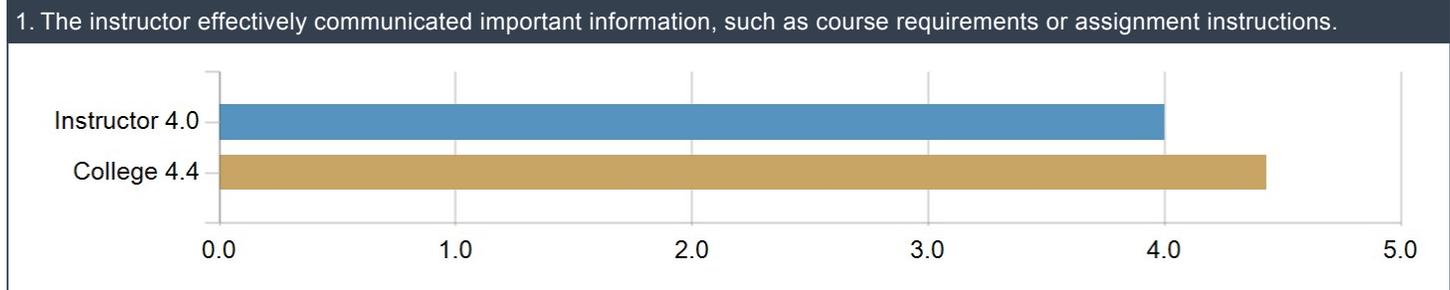

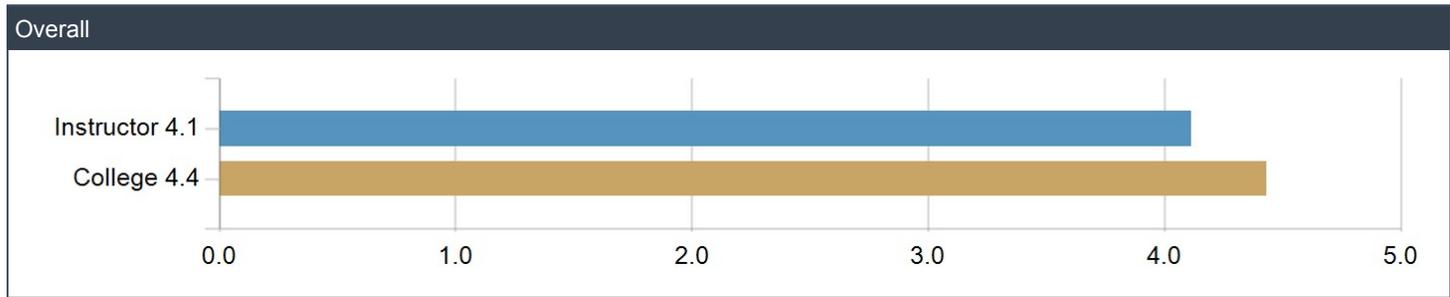

2. The instructor was prepared for each class meeting.

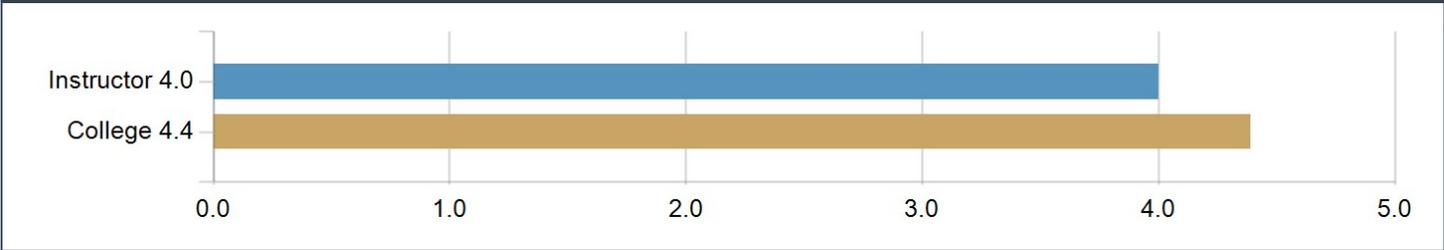

| Statistics         | Value |
|--------------------|-------|
| Response Count     | 6     |
| Mean               | 4.2   |
| Median             | 4.0   |
| Standard Deviation | 0.4   |

| <p><b>3. The instructor showed respect for all students.</b></p>  | <p><b>4. The instructor facilitated activities during class to actively engage students in learning.</b></p>  |       |                |   |      |     |        |     |                    |     |   |            |       |                |   |      |     |        |     |                    |     |

Using the rating scale below, mark the one response for each statement that is closest to your experience with this instructor.

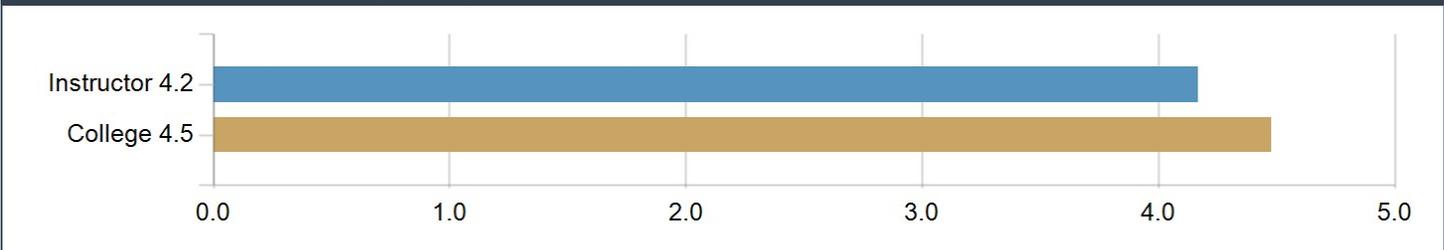

6. The instructor used relevant examples and questions throughout the course to help clarify course topics or materials.

7. The instructor was knowledgeable about all the topics covered in this course.

8. The instructor was accessible by email, phone, or in office hours.

**What did the instructor, Jennifer Fleury, do to create an engaging and/or supportive learning environment for you?**

| Comments  |
|---|
| breakout of weekly steps, weekly videos posted, step by step instructions for projects  |
| Yes   |
| Mrs. Fleury created a very engaging learning environment on the zoom meeting and recording them for students that could not make it. This was very helpful with the topics on hand. |

**Please note any additional feedback you have for the professor or course.**
